Answer 'Yes' if your organisation was established for not-for-profit making purposes and does not make a profit. Also answer 'yes' if your organisation makes a profit for its own purposes, as long as the profit is not used to enrich others. You must:

- only process information necessary to establish or maintain membership or support
- only process information necessary to provide or administer activities for people who are members of the organisation or have regular contact with it;
- you only hold information about individuals whose data you need to process for this exempt purpose
- the personal data you process is restricted to personal information that is necessary for this exempt purpose
